

Educational Visiting

Picking up where NPS MedicineWise left off

Looking to upskill your team with practical, evidence-based education that fits around your schedule? Our Government-funded program delivers interactive sessions – free from pharmaceutical influence – designed to support quality improvement and consistency in clinical care.

- **Interactive, collaborative group learning**
- **Delivered by an expert facilitator**
- **Flexible delivery - choose a virtual or face-to-face session at a time that suits your team**
- **Access high quality, endorsed resources for use with your patients**
- **Earn CPD: 1 hour Reviewing Performance CPD per session (plus an optional 2.5 hour Measuring Outcomes activity)**

Current program: Navigating mental health in young people

Gain practical guidance and the latest evidence to confidently support young people's mental health in primary care.
