

Practice Catalyst – Supporting Your Practice to Thrive

Take 20 minutes to gain clarity and direction for your practice

Step 1

Complete the Practice Catalyst Assessment

- 20–25 minutes
- Self-guided
- Completed by practice manager or the practice owner
- Your personalised assessment link has been sent to your inbox from Kaleidoscope.

Step 2

Receive Your Action Plan

- Tailored recommendations
- Practical next steps
- Links to relevant resources

Step 3

Understand Your Practice

- Snapshot of your current state
- Insights across key areas:
 - Team & operations
 - Patient care
 - Sustainability

Step 4

Access Tailored Support from PHN

- Support guided by practice needs
- Tiered approach over time
- Tools, resources, and opportunities aligned to your priorities
